I was hoping to make it, but we are updating several things today for Gold King Mine Release Sit Rep and IAP due later today. The main thing is that we are still very interested, I believe we heard back from all of our states that they are interested, and we have some topics that were suggested. As for a time-frame, this fall is not good for folks, so we'll have to push it out.  
Thanks,  
Kathie

Hi Bill,

I'm working on the Gold King Mine release (as is Kathie) and won't be able to make the call. She may be able to make it.
